

GREENMINDS INDIA

Bridging Businesses with Sustainability

ENVIRONMENTAL & SUSTAINABILITY CONSULTANCY

We help organizations integrate sustainability into their core operations, by delivering strategic environmental insights and solutions.

SOLUTIONS WE PROVIDE...

BRSR REPORTING

Helping with SEBI's BRSR requirements by delivering accurate, compliant, and insightful sustainability disclosures.

ECOVADIS CERTIFICATION

Comprehensive support to achieve and improve EcoVadis sustainability ratings.

GHG INVENTARISATION

Detailed greenhouse gas (GHG) accounting to quantify, monitor, and mitigate your carbon footprint.

SUSTAINABILITY REPORTING

ESG reporting aligned with GRI and CDP for compliance and stakeholder engagement.

ISO CERTIFICATIONS

Streamlined certification support for achieving ISO standards in social responsibility, sustainable procurement, and anti-bribery.

CBAM ADVISORY

End-to-end CBAM advisory for exporters to align with EU carbon regulations and market requirements.

WE CARE ABOUT YOUR SUSTAINABILITY
